Double 6'-8" 3068..... **\$1,400⁰⁰**

Single 8'-0" 3080..... **\$1,500⁰⁰**

Double 8'-0" 3080..... **\$1,700⁰⁰**

Delivery Only: Fees are determined by door size, distance, and required personnel. **BASIC DOOR INSTALLATION DOES NOT INCLUDE:** Door alarm sensor installation (\$75.00extra).

- Storm door removal and haul off (\$35.00). Structural modifications (priced on-site).
- Additional door accessories (priced on-site).
- Installation and programming of smart lock (priced depends on the lock).
- Same size door installation (any modifications are additional).
- Brickwork, stonework, or concrete work (additional fee for modifications).

Note: Every home is different; additional charges cannot be determined without the installer assessing your home on-site. These prices are subject to change based on additional work needed once unforeseen issues are identified during the assessment or the work.
